## AUTHORITY – 2017-Parks-002

Pursuant to Delaware Code §4701(a)(5) and FY2015 Bond Bill Section 93, the Department of Natural Resources and Environmental Control, Division of Parks and Recreation hereby establishes park entrance fees, surf fishing fees and user charges for amenities provided in Delaware State Parks as shown in the “2017 Schedule of Entrance Fees and User Charges.”

For 2017, park entrance fees and surf fishing permit fees were not changed but some rates were changed for services and facility rentals by the Division of Parks and Recreation to approximately and reasonably reflect all costs necessary to defray the expenses of the Department for the use of park facilities and services it administers. The user charges shall be effective January 15, 2017.

Any user charges for facilities and activities not specified herein remain unchanged and in effect.
