1. In addition to the rules and regulations found in the “Delaware Hunting and Trapping Guide: 2022-2023”, specific rules that apply to Holts Landing State Park are listed below. **Registration of all hunters participating in the Delaware State Park Hunting Program is required. There is an annual \$10 hunting program charge. This charge is waived for Delaware hunters 65 or over.** Hunters may register at the Delaware Seashore State Park Office or at any Delaware State Park where hunting is permitted.
2. **Deer Hunting – Archery/Crossbow Seasons**
 - a. Archery/crossbow hunting **ONLY** is permitted for deer, in season and in designated areas from Monday, October 17, 2022 through Tuesday, January 31, 2023.
 - b. Hunters shall hunt from one of three (3) accessible deer or the designated archery zone. Each stand and the archery zone shall be occupied by only one hunter. Mentored hunting is allowed, but only one member shall carry a bow/crossbow and actively hunt at a time.
 - c. The three (3) stands and the archery zone shall be filled on a first-come, first-served basis using the self-registration tag board. The tag board is located on the back of the trailhead kiosk near the designated hunter parking.
 - d. There is **NO SUNDAY HUNTING** in Delaware State Parks.
 - e. It is illegal to use or build a nailed or permanent tree stand or ladder. Portable stands must be of a type that will not damage trees. Unattended stands will be confiscated.
 - f. Deer drives are **NOT** permitted on park property.
 - g. The clearing/cutting of vegetation to form shooting lanes or for any other purpose is prohibited.
 - h. No parking is allowed in the active hunting area. Please park in the designated area.
3. All deer harvested at Holts Landing State Park must be reported via the on-line or toll-free telephone reporting system as required by the Delaware Division of Fish and Wildlife. Deer should be reported as follows:

Land Type:	Public
County:	Sussex
Zone:	17
Location Type:	State or County Park
Location Description:	Holts Landing State Park

4. Hunting for waterfowl, rabbit, quail and dove is not permitted.

MESSAGE TO ALL HUNTERS:

- Please be careful, discrete and considerate around other park visitors. Understand that many park patrons are **NOT** hunters and some may feel threatened by your presence.
- By hunting in this park, you are a vital part of our “deer management team”. White-tail deer have been shown to ecologically damage their habitat when they reach 20 deer per square mile. In the majority of our parks, the deer herds have much greater densities than this.
- Your harvest information is very important to us. Please submit your data accurately. Have a safe and successful hunt.
