First Saturday and Sunday of November

MODERN GOODS VENDOR

First State Heritage Park hosts the 18th Century Market Fair on The Green with special agreements from the City of Dover and First State National Historical Park. The intent of this program is to recreate the sights and sounds of the 18th century, bringing the past to life for the visiting public.

For 2023, Dover's 18th Century Market Fair will be held on Saturday (10:00-4:00) and Sunday (11:00-4:00), November 4th and 5th.

Foremost, Market Fair is a public program with an educational mission. Public admission is kept free to ensure community accessibility. With limited space available in our historic venue – a genuine colonial square where markets were held weekly on Wednesdays and Saturdays – preference is given to participants who demonstrate a commitment to historical authenticity and offer meaningful interpretation, interactivity, or demonstrations of their trade or skill.

Applicants that will be selling goods at the 18th Century Market Fair are subject to a **non-refundable** \$75 vendor fee, to be paid via check upon application approval.

As a modern goods vendor, you understand that you will be placed on State St. and not on The Green but will be included in the list of vendors for Market Fair.

Participants further acknowledge that First State Heritage Park may photograph, quote, or in other ways document the artisans and their representatives, products, and display, for use by the site.

I have read and understand the context of the event and certify the vendor information provided in the subsequent First State Heritage Park Compliance Standards.
