

SUMMER CAMPS 2021

DELAWARE STATE PARKS
YOUR OUTDOOR ADVENTURE STARTS HERE

destateparks.com/summercamps

6 – 8-Year-Old Camps

9 a.m. – 3 p.m. Drop-off from 8:30 a.m. to 9 a.m.;
Pick-up from 3 p.m. to 3:30 p.m.

6 – 8-Year-Old Camp Fees:

Early Bird Fee: \$215 per camper, \$185 Delaware Zoological Society Members (*DZS) if registered by March 31.

Regular Fee: \$240 per camper, \$210 DZS members if registering on or after April 1.

Disguises and Surprises

June 14 – 18

Camouflage and mimicry. Playing dead and acting tough. Learn about animal masters of deception and the secrets behind their disguises and surprises!

Animal Superpowers

June 21 – 25

Animals have amazing superpowers to help them survive in their environments! Learn about different animal powers and adaptations through activities, crafts and live animal encounters.

ZSI: Zoo Science Investigators

July 5 – 9

Investigate the world of behavioral and conservation science. Campers will become researchers and use their observation and investigation skills to better understand animals in our care here at the zoo and in the wild.

BRANDYWINE ZOO

1001 North Park Drive
Wilmington, DE 19802
302-571-7747 ext. 209
Camps@BrandywineZoo.org
BrandywineZoo.org/camps

The Brandywine Zoo's Summer Camp program is designed to provide children the opportunity to spend the summer outside at the zoo learning about animals, zoos and wildlife conservation. This enriching and educational experience will be filled with zoo visits, live animal presentations, crafts, games, stories, learning projects and much more! More importantly, each child will learn the importance of having fun in nature and making new friends! Our camps are geared towards children who are eager to learn, follow directions, and want to have fun. Through our Summer Camp program, we hope to inspire the next generation of wildlife conservationists and stewards of the environment.

For more information, including cancellation policies, visit destateparks.com/summercamps.

BRANDYWINE ZOO

6 - 8-Year-Old Camps continued

Wildlife Mythbusters

July 19 - 23

Can chameleons change colors? Can porcupines shoot their quills? Discover what is real and bust the myths of the animal kingdom

Art Safari

August 2 - 6

Discover and be inspired by the amazing art created by animals, or of animals, around the world! Every day we'll create a new project inspired by the wild artists around us while exploring different mediums.

ZOOlympics

August 16 - 20

Every day in the animal kingdom is a competition for survival! Come and learn which animal will take the gold medal for strongest, fastest, sneakiest, or most agile, and try out your skills in our own Summer ZOOlympic Games!

Continental Creatures

August 23 - 27

Grab your passport and take off on a journey to learn about wildlife from around the world! Each day we will discuss a new continent and the animals that call it home.

9 - 11 and 12 - 15-Year-Old Camps

9 a.m. - 3 p.m. Drop-off from 8:30 a.m. to 9 a.m.; Pick-up from 3 p.m. to 3:30 p.m.

9 - 11 and 12 - 15-Year-Old Camp Fees

Early Bird Fee = \$315 per camper, \$285 Delaware Zoological Society Members (*DZS) if registered by March 31.

Regular Fee = \$340 per camper, \$310 DZS members if registering on or after April 1

9 - 11-Year-Old Camps

Wild Designs

June 28 - July 2

How do you build a zoo? What makes a great animal habitat? How do keepers prepare exhibits for more than one species? Learn what zookeepers do to take care of animals and plan exhibits and design an exhibit of your own!

12 - 15-Year-Old Camps

Animal Careers

July 12 - 16

Have you ever thought about a future career working with animals? Discover what it takes to care for, feed, train, study and work with animals. During this week campers will learn about a variety of creature careers from the experts!

S.A.F.E. (Saving Animals From Extinction)

July 26 - 30

Saving Animals From Extinction (S.A.F.E.) is an Association of Zoos and Aquariums initiative to save endangered animals through the work of zoos, aquariums, conservation groups and YOU. Come and learn how zoos save species from your backyard and around the world and what YOU can do to help.

Conservation Tech

August 9 - 13

From GPS tags to camera traps, high-tech to low-tech, learn about all the cool technology that conservationists, zookeepers and vets use to study animals, plus get some hands-on practice!

Campers will be required to complete a two-week pre-screen prior to the start of camp and screening will take place before camps begin each day. For the safety of campers and staff, campers will be required to wear face coverings in accordance with our Covid-19 guidelines.

Visit destateparks.com/covid19 for the latest information.

Programs and activities may change based on current Covid-19 guidelines.
